Taking a relationship requires effort and skill. It is a very important of every human being. Every people have to be idea about relationship. By emotional connection the good relationship is created. Contact the one person to another we can create the relationship. For making the good relationship you have to know that what is the like and dislike of others. Here one question is arises, why you like and dislike to others? This is very important things, because if you like to one another then good relationship is created. Good behavior is most important of a good relationship.

Now we will discuss how many types of relationship is there? There are so many kinds of relationship. These are

1. one to one relationship
2. One to many relationship
3. many to one relationship

One body keep relation to only one portion is called one to one relationship. Only one people related to many people is called one to many relationship and so many people related to only one portion is called many to one relationship. In relationship you must be found the love, affection etc. Some examples of relationship are brother-sister relationship, husband-wife relationship etc. Going to marriage means keeping the relationship to others. Every relationship needs a boost every now. You never mind the relationship is incorrect. If the partners believe the revitalize will come in relationship then that is totally wrong. There are plenty of way to return the same relationship which was feature. There are plenty of ways to put the spark back into your relationship. Some people's relationships are not fulfilling because they do not know what is the requirement and need of a relationship. They make wrong choice and take wrong desertion. That's why it includes the qualities of humility, courage, faith and discipline. Trying something different in your relationship is the best way to overcome the boring time. Try something different, Take time away, Change your look, Do something out of the ordinary, get away from your normal surroundings, By this we can created the good relationship. That's why relationship is not a greater things but keeping relationship is very much important .That is solved. {mosgoogle left}
